What is the Simple Funeral Service?

Having Shown an interest in the Simple Funeral Service and following our explanation of what this service includes, we have given you this leaflet to help you decide if this is the funeral service you want to have, bearing in mind the restrictions involved.

At Susan Whymark Funeral Service it is our aim to provide a high quality of service and to make sure each and every one of our clients has the funeral they want at a reasonable cost.

The costings in the Simple Funeral Service are kept to a minimum, not because there is less care and attention involved, but because things are kept simple, which in turn involves less time and materials.

You may have received quotes from other funeral directors who may have called this a restricted service or a basic service.

In this leaflet we aim to clearly identify exactly what the Simple Funeral Service does and does not include.
