# SLEEPING OUT

## TO HELP HOMELESS YOUNG PEOPLE

On Saturday 19th November

We are giving up our beds for the night and Sleeping Out to help raise money for homeless young people. By doing this we will experience some of the discomfort that thousands of young people go through every year.

Working with partners across the UK, Centrepoin support more than 14,000 16-25 year olds each year, giving them a safe place to live and the support they need to become independent adults. The money raised through sleeping out will help give homeless young people across the UK a future.

Donations can be made in person to either of our offices in Eye or Harleston or at <https://www.justgiving.com/fundraising/sleepoutforcentrepoin>

Centrepoin is registered charity no. 292411
